Re: Assignment of Lease and Other Property Rights from
Amselco Minerals Inc. to Gwalia (U.S.A.) Ltd.,
Dated 11/15/88

Dear Ms. Butler:

At the time of execution of the above Assignment I was Counsel and Assistant Secretary to Amselco Minerals Inc. I continue to serve this corporation in both of these capacities. On the second page of the referenced document there is a reference to a Memorandum of Exploration and Mining Lease dated November 20, 1987, having been recorded at Book 80 of Deeds at Page 77 in McCormick County, South Carolina. The correct Book reference for such Memorandum is Book 85, Page 77.

You are hereby authorized to change the reference in said Assignment to reflect the correct recording information.

Yours truly,

Richard E. Pierce, Jr.
Associate General Counsel
